

UDM-01

Features:

- With laser pointer
- Foot/Meter display options
- LCD screen with LED backlight
- Support sum-up, multiplication and subtraction of 2 measurement data.
- All stored measurement data can be cleared.

Technical Data

Basic Function	Range
Measurement Range	0.5m to 18m
Auto shutdown	After 15 seconds without pressing any key
Memory	can store 3 measurement data for calculation of area and volume
Power supply	1 x 9V battery
Accuracy	+/-0.5%
Ultrasonic Frequency	40 kHz
Working temperature	0°C ~ 43°C
Laser beam: Wattage	1mW
Wavelength	650nm

POWER

9V (6F22) X 1

- Standard Accessories : Soft Carrying Case, Manual
- Dimensions : 142 mm X 73 mm X 47 mm

LD-40 / LD-70 / LD-100

Features:

- Area/Volume measurement function
- Pythagorean proposition measurement function
- Add and subtract measurement function
- Continuous measurement function

Specification :

Basic Function	LD-40	LD-70	LD-100
Range	0.05-40m	0.05-70m	0.05-100m
Distance Measurement Precision	±1.5mm		
Measurement Unit Options	mm/in/ft		
Area Volume Function	✓		
Volume Measurement Function	✓		
Automatically Cut Off Laser	20s		
Automatic Shutdown	150s		

POWER

AA 1.5V X 2

- Standard Accessories : Soft Carrying Case, Manual
- Dimensions : 118 mm X 53 mm X 26 mm
